## **Collaboratives** (lead applicant in bold)

### **ACCESS U Foundation**

Supports a collaborative that provides low income Black and Latinx scholar-athletes with mentors, academic supports and access to club sports.

### **Hannah Project Partnership**

Supports the SAGE Collaborative, a multi-sector, multi-issue community change coalition designed to give Marin City an infrastructure with the capacity to address the issues that matter to its residents.

### **Innovative Health Solutions**

Supports the West Marin Food Systems Collaborative.

Marin Advocates Network: Brings together service providers across Marin to minimize duplication of services, maximize efficacy of the services.

### **Marin Community College District**

A collaborative among College of Marin, Novato Unified School District and 10,000 Degrees to provide the COMPASS program to all three high schools in Novato, providing low income and students of color and their families with targeted supports.

### **Marin Promise Partnership**

A county-wide collaborative focused on education equity.

### **San Geronimo Valley Community Center**

Expansion of the infrastructure between local CRT (Community Resilience Team) zones (Canal, Marin City, Novato & West Marin) to create a unified brand and operations.

### **Sausalito Marin City School District**

A collaborative to build shared power and voice for African American families, through engagements and trainings.

### **Youth in Arts Inc.**

A collaborative to expand equitable access in arts education for Marin's TK-5th grade students.
